

THE 48 HOUR RUN

YOUR FIRST PAYING **CUSTOMER** IN 48 HOURS.

No list bought. No team. No agency.

Two days is enough to find them, reach them, show them
and ask.

HOUR 1 - 4

FIND **WHO** WOULD BUY.

Forty companies, and the person whose
budget it comes out of.

Not a scraped list. A short one that knows why now, and
who signs.

WHO

40 firms

inside your ICP, not near it

WHOM

1 name

the one who signs

WHY NOW

A signal

funding, hiring, a launch

ORDER

Ranked

who to work first

HOUR 5 - 12

REACH **THEM** LIKE A HUMAN.

One trigger, one question, under sixty words.

Written from what they actually posted, not a template
with their name in it.

01

One specific trigger

the reason you write today

02

An ask, not a pitch

answerable in one line

03

You approve each one

nothing sends without you

HOUR 13 - 30

GIVE THEM SOMETHING TO OPEN.

A page built for this offer, live by the time they
reply.

Most first replies die because there is nothing on the other
end of the link.

A REAL PAGE

not a deck attachment

THEIR PROBLEM ON IT

in their words

A WAY TO PAY

live, today

HOUR 31 - 48

ASK FOR THE MONEY.

The objection you were about to walk past,
answered first.

Most first deals are lost to silence, not to a no.

WHAT ACTUALLY CHANGED

YOU STOPPED PLANNING THE LAUNCH.

Two days of doing it beats two months
preparing to.

Nobody validates an idea in a document. They validate it
when someone pays.
