

ONE HOUR

30 DAYS OF POSTS IN ONE HOUR.

Not thirty posts. Thirty days you never have to think about.

You stop posting on day four because every post starts from a blank page.

MINUTE 1 - 10

IT READS WHAT YOU ALREADY SAID.

Your posts, your decisions, your numbers.

It writes in your voice because it read your voice, not
because you described it.

YOUR POSTS

**What
worked**

the ones that already landed

YOUR CALLS

**What
changed**

decisions, and why

YOUR NUMBERS

Real ones

not rounded, not invented

YOUR VOICE

MINUTE 11 - 25

THIRTY **HOOKS** BEFORE ONE POST.

The first line is the whole thing. Write those
first.

Only the lines that stop a scroll earn a body underneath
them.

30 OPENING LINES written and ranked first

THE SURVIVORS the ones worth writing

THEN THE POSTS under a line that works

ANGLES → **HOOKS** → CUTS → QUEUE

MINUTE 26 - 45

ONE IDEA. THREE CUTS.

**A carousel, a short video and a written post
are not one post resized.**

Each one is cut for the place it is going, from the same idea.

01

The carousel

the one people save

02

The short video

the one that travels

03

The written post

the one that starts arguments

ANGLES - HOOKS - **CUTS** - QUEUE

MINUTE 46 - 60

A MONTH, QUEUED.

Slotted for your window, waiting on one approval.

You say yes once instead of thirty times, then stop thinking about it.

WHAT ACTUALLY CHANGED

CONSISTENCY STOPPED BEING DISCIPLINE.

Nobody posts daily on willpower.

They post daily because it was written before the day started.
