

ONE SITTING

THIRTY DAYS OF **CONTENT.** ONE SITTING.

Not thirty posts. Thirty days of a point of view.

The reason you post twice and stop is that every post starts from nothing.

THE ANGLE

IT STARTS FROM YOUR MATERIAL.

What you already said, decided and shipped.

PULSE writes in your voice because it reads what you
actually wrote.

POSTS

Yours

the ones that already
worked

DECISIONS

Yours

what you changed and why

NUMBERS

Real

not rounded, not invented

VOICE

Yours

read, not imitated

THE DRAFT

THIRTY **HOOKS** BEFORE ONE POST.

The hook is the whole thing. Write those first.

Then only the ones that stop a scroll get a body written under them.

written first, ranked

THE SURVIVORS

the ones worth a body

THE FORMAT

ONE IDEA. THREE CHANNELS.

AMPLIFY cuts each one to the channel it is going to.

A carousel, a short video, and a text post are not the same post resized.

02

THE QUEUE

SCHEDULED AND GATED.

Sized, slotted, and waiting for you to say yes.

Thirty days sitting in a queue you approve once, not thirty times.

WHAT ACTUALLY CHANGED

YOU STOPPED POSTING WHEN YOU FELT LIKE IT.

Consistency was never discipline. It was inventory.

Nobody posts daily on willpower. They post daily because
it is already written.
